OFFICE OF

No. A.R.P.S.191/42-43.
Encls.

Date 22nd November 1942.

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Through: The Inspector General of Police in Mysore, Bangalore.

Sir, PURCHASE OF 50 MILITARY PATTERN AMBULANCE STRETCHERS.

I have the honour to state that in connection with the organisation of Casualty Service under the medical A.R.P., the Senior Surgeon with the Government of Mysore, has supplied 100 jute cloth stretchers with bamboo poles for A.R.P. use. These stretchers were manufactured at the Central Jail, Bangalore. These stretchers were supplied to the different sector posts of the A.R.P. in City. Complaints have been received from several Wardens' Posts that the bamboos have broken in many cases while men were being carried during the practices and eaten up by insects inside. Further, these stretchers have no legs attached to them with the result, the bodies of the patients placed on these stretchers, touch the ground. The Chief Warden and the Divisional Wardens are of the opinion that these stretchers should be replaced by the Military Pattern ones and I agree with them.

To replace these stretchers with that of the Military Type with good canvass, under the present conditions will be very costly, as each such stretcher costs Rs.30/-. To keep down the cost and to avoid the wasting of jute cloth already available with the bamboo poles, I propose to use the jute cloth and have them attached to the frame of the Military Type Stretchers.

Messrs. N. Krishna Body Works, Narasimharaja Road, Bangalore City, who are building bodies to Ambulance Vans, for A.R.P., have

have quoted Rs.14/- per stretcher complete or Rs.700/- in all for 50 stretchers. The rate quoted by them appears to be reasonable, may be accepted and the cost there of debited towards "Miscellaneous store articles" for the year 1942-43. I request sanction of Government for this expenditure.

I have the honour to be,
Sir,
Your most obedient servant,

M R Ramaswamy

A.R.P. ~~Officer~~,
